KEY SELLING POINTS

Ultra slim 6.9mm design with great colors and finishes, VIVO 4.8 HD brings you the latest in technology.

Amazing **4.8" Super AMOLED HD display** with BLU Infinite View and Nex-Lens technologies for an out of this world viewing experience of all your multimedia content.

Faster processing with great multitasking experience, thanks to its **1.5GHz Quad Core** processor and **1GB of RAM**.

16GB of internal memory give you plenty of space to store all your important memories.

Impressive **8 Mega Pixel HD** camera that lets you capture all your important moments, the way you always wanted.

Coupled with a **frontal 5MP** camera for video calls, lets you stay connected with family and friends.

LATEST TECHNOLOGY AND FAST MULTITASKING

4G HSPA+ up to 42 Mbps

VIVO 4.8 HD is powered with an amazingly fast **1.5 GHz Quad Core processor**, that gives you faster browsing, gaming, imaging, streaming and more.

You get the benefit of each core running independently for optimum power consumption and performance delivery.

Thanks to its **PowerVR 544 GPU**, you get to enjoy stunning images, videos and movies on an ample viewing display.

THE LATEST TECHNOLOGY FOR MAXIMUM VIEWING EXPERIENCE

VIVO 4.8 HD comes with **HD SUPER AMOLED Display** and **BLU's Nex Lens Display technology**, that lets you enjoy the images on the screen, from any viewing angle without missing color intensity and clarity.

With a whopping 4.8" HD display at 720x1280 pixels of resolution, you get to enjoy all your pictures and videos like never before.

SUPER
HDAMOLED

ASTONISHING CAMERA EXPERIENCE

With an amazing **8MP HD** camera, you will be able to capture all your important moments in a digital format; whether photo or video, you will enjoy your images in an incredible **High Definition 1080p**. Also, you can stay connected with family and friends via video call and take great selfies, thanks to its **5MP frontal camera**.

In addition to standard features like smile detection, best shot and continuous autofocus, VIVO 4.8 HD comes with LED flash and **BLU Bright+ Technology**, that allows you to take pictures in dark environments, illuminating objects in the foreground and the background. Experience vivid images with the VIVO 4.8 HD.
